Friends of Sunnyside

FOS meet every Tuesday 9am—10.30am at school.

FOS are always happy for new members to join and help in a fundraising event for the school. We are currently raising money for our playground. We

Music Tuition

For those that have undertaken music tuition this term your

music lesson will take place on

Violin—Wednesday

Guitar—Friday

A word from our Principal

Employability has been the Academy focus for these last few weeks. We were incredibly lucky to have DHL in on Wednesday 13th June - they spoke to Year 4 and 5 children on the different career paths within their company. They also then completed a safety lesson for the all classes on the dangers of playing near HGV vehicles. On Monday 18th June, Years 3,4 and 5 were lucky to meet the author Sue Ellis who read her current story and then spoke to the children about the process of writing and how she became an author. Our Career Day was a huge success - children from the whole school were involved. There were different professions across the day - police, ambulance, surveyors, soldiers, footballers, health and canal and river trust. Can I thank all of our families who gave up their time for this event. Asking children what they want to be when they grow up seems far off I realise, but it's important that we teach them the vital skills and they see the importance of what being at school means. Employability is part of our PSHE focus for this term - Hopes and Wishes.

Career Day 20.6.18

As part of our new topic in PSHE, Hopes and Wishes, all children were able to take part in our career day. The children were inspired by a range of amazing careers as they got to talk to people from various work places. Children were able to interview these professionals and gain more of an insight into their careers — some children even got to dress up in the role themselves! The whole school thoroughly enjoyed the day and we cannot thank the wonderful people who gave up their time to help inspire our children! We are all extremely grateful for this invaluable experience.

Year 2 trip to the Paradise Wildlife Park

19th June 2018

Year 2 children visited the Paradise Wildlife Park to see the animatronic dinosaurs. They were enthusiastic about seeing the dinosaurs we had learnt about and ones we hadn't yet. They enjoyed learning the meaning for the dinosaurs' names and their different defence strategies. Children will be using this knowledge to help them write non chronological reports about their chosen dinosaur.
