A word from our Principal

I am delighted to inform you that on Monday 11th June we were awarded yet again the **Inclusion Quality Mark**. This recognises the work we do for all our children with a focus upon social and emotional intervention and the wider curriculum. The team were particularly impressed with our overall school environment and how children's work is celebrated in all year groups and the quality of the children's written work. They recognised the work we do with our vulnerable learners and the support we offer families. They were interested in our new PSHE work and liked that we invited parents in to our Community Cafe to celebrate this. As always we have areas to work on. One area we will be working on is developing our outdoor learning. How we can use our outdoor space in all areas of the curriculum and to continue to develop our wildlife area. I look forward to sharing our ideas with you all once they are fully developed.

Year 5 Warner Bro. Studio Tour 12.06.2018

As part of the Year 5 unit of study, the children went to Warner Brothers Studio Tour in London! The day promised to be filled with magic, awe and wonder and it didn't disappoint! The children experienced all the staging, props and costumes that were used in the Harry Potter films as well as learnt about how the films came to life with technology. Over the coming weeks, the children will be writing about their experiences in the Forbidden Forest, creating their own story and designing a creature that will feature in their narrative.
