## Evidencing the Impact of the Primary PE and Sport Premium

Website Reporting Tool Revised October 2017

Commissioned by Department for Education

Created by

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit <u>gov.uk</u> for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the <u>Ofsted Schools Inspection Framework</u>, inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively <u>governors</u> hold them to account for this.

Schools are required to <u>publish</u> <u>details</u> of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and

publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click <u>HERE</u>. Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

| Key achievements to date: | Areas for further improvement and baseline evidence of need:   |
|---------------------------|--|
|                           | <ol> <li>Build upon CPD already taken place for staff to ensure highest quality outcomes<br/>for all children.</li> </ol>            |
|                           | <ol> <li>Ensure all children have the opportunity to engage in 30 minutes a day healthy,<br/>physical activity in school.</li> </ol> |
|                           | 3. Further develop sports leaders in school.   |
|                           |  |

| Meeting national curriculum requirements for swimming and water safety  | Please complete all of the below: |
|---|-----------------------------------|
| What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?                           | 74%                               |
| What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?                     | 37%                               |
| What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end off last academic year?  | 80%                               |
| Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way? | Yes/ <mark>No</mark>              |

## Whole School Impact of the PE & Sport Premium Funding

Our PE and Sport Premium plans and key actions have become embedded within, inform, and support the achievement of our whole school Vision and Priorities identified within our Whole School Improvement Plan.

This ensures the most effective, sustainable use of the funding with PE and School Sport becoming a tool for whole school impact, outcomes and improvement.

Please now find below our Vision and key Priorities from our Whole School Improvement Plan (Autumn 2017- Summer 18). This is then followed by our PE and Sport Premium Action Plan (2017-18) with a column linking the two Plans together.

## Sunnyside Primary Academy: School Improvement Plan (SIP) (2017-18)

Vision

That children learn actively in a caring, inclusive and stimulating environment, so that they are motivated to do their best and reach their potential. All children will leave the School having made at least good progress from their starting points in Reading, Writing, Maths and SPAG and will be confident, motivated, resilient and independent learners ready for their next stage of education.

To realise our Vision we have identified the following key priorities from our SIP:

Section 1: Effectiveness of Leadership and Management

Section 1 (1) To develop middle leaders.

Section 2: Quality of Teaching, Learning and Assessment

Section 2 (1) All teaching to be good or better. Section 2 (2) To challenge more able pupils.

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.
