Year 1 Open Morning

Year 1 parents and carers joined us for a Maths Open Morning. They started with a chat about the Year 1 maths curriculum and our approach to teaching Maths at Sunnyside Primary Academy. Mrs Gosling shared some games to play at home to support their child's mathematical skills. Parents and carers then joined their children in their classroom to support them in their maths lesson. What a fantastic morning!

Year 2 Open Morning

Another fantastic turn out for the Year Two Maths open morning. We looked at the Year Two Maths curriculum and how we teach the four operations. Parents learnt about games that they can play with their children at home. Parents then joined their children in their maths lesson and helped them solve subtraction problems.
