Look at what we have been doing in the Early Years ☺

Week beginning – 05.02.2018

The Gruffalo goes to China

This week we have been writing a postcard to the Gruffalo who has taken a trip to China to celebrate Chinese New Year. We have looked at how Chinese New Year is celebrated, by enjoying stories, food tasting and using traditional items in our learning.

Phonics

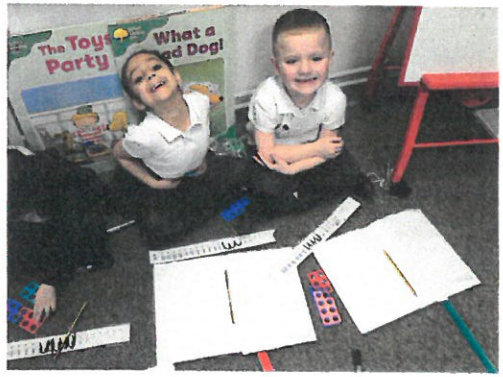
We have been working on building and blending words. We have also been writing sentences using conjunctions.

Enjoying achieving what we set out to do

Numbers

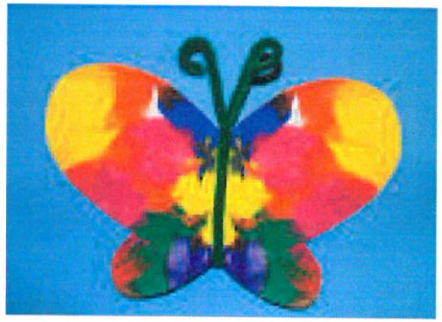
We have been practicing subtraction by using numicon, counting and number tracks to check our answers. We have been taking away with both single and double digit numbers to 40.

Proud of our achievements



The children have all worked extremely hard this term and we are very proud of them. Have a lovely half term.

Can you make your own caterpillar or butterfly to start our new topic about The Very Hungry Caterpillar.

Please bring your design by Monday 19th February.


Please note you do not need to return the front sheet.
