**NSPCC Number  
Day**

Please remember to maintain at least 2 meters apart when lining up outside of the gates and on entry to the school site.

## Strength, Perseverance, Aspirations

### Whole School News

Welcome back. I hope you all had a lovely break and are beginning to enjoy the lighter evenings.

The children have had a busy return to school. Our Reception children have been excavating dinosaur bones and have found a dinosaur egg; they are hoping it will hatch!

Year 1 are learning about animals, in particular mammals.

Year 2 found an enormous turnip in the school grounds, they are going to be planting and making pizza's. I'm already looking forward to tasting these!

Heroes and Villains have entered Year 3, reading about historical heroes and villains. They will also start their musical project this term.

Year 4 are going on a road trip around the United States of America learning about the differences between North and South.

Year 5 and 6 are learning about different artists and sculptures based around a book called 'Framed'. They have already made scrap books where they can express themselves.

As you can see, it has been a busy week, we have also got a lot to look forward to. Please keep a look out for dates for your diary.

If you missed our Relationship and Sex Education (RSE) information evening last term, you will find all the information on our website -please see attached link.

### **Are you looking for some extra hours, and can work well under pressure?**

We are looking for a Mid-day supervisor to join our amazing team.

The working hours are: 11.40 – 1.20pm Monday – Friday. Please look out for our advert on our website or ask at the office.

### **Booked a medical appointment?**

Don't forget to bring your appointment card to the school office when you collect your child so we can authorise the absence.

## Staffing

Mrs Stapleton  
Mrs Tyrrell  
Mrs Cooke  
Miss E Greaves  
Mrs Gaidau  
Ms Gineikiene  
Miss V Greaves  
Miss Grant

### Remote Learning

If your child is self-isolating please remember that all work is available on Microsoft Teams, this is accessible via Airhead. Your child knows how to log on and access this. It is expected that children do complete the work set in line with the rest of the class.

If we did have to close a bubble, then this is our preferred method of teaching. Please look at our Remote Learning Policy on the school website.

Some children will also be coming home with practical resources to help support their remote learning.

**Please note that if your child is feeling unwell with a high temperature, has a new continuous cough or has a change in taste or smell, they MUST be tested alongside with all of their family – including siblings.**
