Thursday 18th October 2018

Dear Parent/Carers,

I am incredibly proud to inform you that following our inspection on the 2nd – 3rd October 2018 we have once again been awarded 'good' in all areas and I attach the report outlining the details.

The Report describes the Academy as a "caring school, with a family feel that enables each pupil to be known and valued". The Leadership Team and myself have also received strong praise for our ambitious and effective approach, which has delivered the improvements, by focusing on the right priorities to move the Academy forward - Ofsted noted that we have a "relentless focus on improving the quality of teaching".

Other highlights of the report include the following statements:

Parents "overwhelming commented that their children are happy and safe at school"

Pupils value the extra-curricular opportunities and even take responsibility for these, such as Year 6's recent visit to London HMS Belfast.

There is a strong culture of safeguarding across the academy.

I am now looking forward to taking this Academy on the next stage of its journey to even greater things.

Can I take this opportunity in thanking you all for your contributions and wish you all a restful half term.

Mrs N J Sayers
Principal
